Committee report

2. Retirement committee report (presenter: Committee Chair Joe Bernosky)

Committee Chair Joe Bernosky provided the retirement committee report from the meeting held on Feb. 25, 2021. He summarized the plan’s performance for 2020 provided by the plan’s investment consultant, Northern Trust. Assets increased by $6.4 million resulting from a portfolio return of 6.6%, which was well below the custom index return of 14.4%. The plan’s underperformance is the result of the portfolio’s exposure to high quality, low volatility equities. Northern Trust provided an educational session on global real estate and why the asset class is included in the plan’s portfolio. The committee conducted its annual review of the investment consultant and agreed the consultant is meeting expectations.

The retirement committee report was for informational purposes only and no board action was required. The next committee meeting is scheduled for May 27, 2021.

Board action items

3. Executive session – personnel matters

Chair Troxell noted the next item on the agenda is the annual performance review of the general manager and the general counsel. Separately board members received the review materials and compensation information pertinent to each position. Director Hornbacher moved that the board of directors go into executive session for the purposes of considering personnel matters related to the annual review of the performance and compensation of the general manager and the general counsel.

The general counsel advised that an executive session is authorized in this instance by Colorado Revised Statutes, Section 24-6-402(4)(f)(l); provided that no formal action will be taken during the executive session.

Director Marsh seconded, and the motion carried 8-0 via roll call vote.

10-minute break at 11:00 a.m.

4. Reconvene regular session

The chair reconvened the regular session and asked if there was further discussion or action as a result of the executive session.
Directors discussed the performance of Sarah Leonard, general counsel, in 2020. Director Bagley moved to give Ms. Leonard a one-time cash bonus of $25,200. Director Bergsten seconded. The motion carried 8-0 via roll call vote.

5. Election of chair/vice chair

Chair Troxell noted that the March board meeting may be his last meeting due to Fort Collins elections in April and suggested that the newly elected chair would take over at the end of the April meeting. If the election process goes accordingly and he would no longer be mayor, he will resign as chair, allowing the vice chair to conduct the meeting. Chair Troxell opened the floor for nominations.

Director Bagley nominated Director Hornbacher for chair effective at the conclusion of the April board meeting. Director Bernosky seconded the nomination. Director Marsh noted the historical rotation of chair and vice chair for owner community representation. No further nominations were received. Director Hornbacher accepted the chair nomination.

Director Bagley moved to approve Resolution 03-21; election of board chair David Hornbacher as presented. Director Bergsten seconded. The motion carried 8-0 via roll call vote.
