

 Platte River Power Authority	<h1>Policy</h1>	Version #: 1.3 Original Effective Date: 12/13/2012 Next review date: 12/15/2026
	TITLE: Legislative Policy	Page 1 of 2

Purpose:

Platte River Power Authority (Platte River) should proactively address legislative and regulatory issues at the federal and state levels that may affect its ability to safely provide reliable, environmentally responsible and financially sustainable energy and services to our owner communities of Estes Park, Fort Collins, Longmont and Loveland.

Policy:

The Board of Directors (board) authorizes the general manager and any Platte River staff members the general manager may delegate to

1. represent the interests of Platte River before legislative and regulatory bodies to help ensure Platte River can continue to safely provide reliable, environmentally responsible and financially sustainable energy and services to our owner communities of Estes Park, Fort Collins, Longmont and Loveland, and
2. participate in associations, coalitions, groups or organizations that promote the interests of Platte River in the legislative and regulatory process.

The board directs the general manager to provide periodic legislative and regulatory updates at board meetings (at least annually, supplemented as necessary).

Implementing Parties and Assigned Responsibilities:

General manager keeps the board informed of legislative issues.

Associated Items (if applicable):

Board Resolution No. 30-12.
